GDPR|F

—
General Data Protection Regulation Foundation

Overview

Strengthening Privacy Protection with GDPR.

The EU General Data Protection Regulation (GDPR) is the most important change in data privacy regulation in 20 years - **we're here to make sure you're prepared.**

In this certification, we'll help you better understand what GDPR is, how it's affecting companies across the globe, who's affected, what the new requirements are, and how it helps protect personal data.
